Better for Business

Orpington 1st Business Improvement District (BID) is a company created, owned and led by our town centre's business community with the purpose of improving Orpington town centre for the benefit of all those who live in, work in or visit the town.

It has a board of directors drawn from BID levy payers which represents 350 local businesses. During the company's second 5 year term, 2018-2023, it is investing over £1 million, adding to the £1.3 million already invested during the first term.

We all want a vibrant and attractive town centre that we enjoy spending time in and feel safe in, where residents come to shop and relax, and where business can prosper; a place that is full of opportunity.

**Have a happy, healthy and prosperous 2022!**
